

Flight 93 Retrospective

This month's IMC Club meeting has a special guest speaker, Ron Horak. Ron will discuss the events of September 11, 2001 from that as an Aviation Inspector for the FAA. Ron was one of the first in the field for the FAA after Flight 93 crashed and has insights that you may or may not have heard from that fateful day that changed all of our lives. Please join us for a retrospective evening. Feel free to bring friends and family. Click on the link below and register TODAY.

Directions: Arnold Palmer Airport Community Room. Proceed into the KLBE terminal and head upstairs towards Denunzio's Restaurant. At the top of the steps, turn right and follow the hallway to the community room.
